What’s on my iPod?

...presented by 

Eminem—“Lose Yourself”

—One of my favorite songs to listen to before games to get pumped up.

Lupe Fiasco—“I Don’t Wanna Care Right Now”

—This is one of my new favorite songs. I’ve been listening to Lupe’s new CD, *Lasers*, as I walk around campus at UCLA.

Deadmau5—“Ghosts ‘n’ Stuff (feat. Rob Swire)”

—This song brings back a lot of great memories I have with my teammates and friends.

Dispatch—“The General”

—Dispatch is a great group to listen to while just hanging out and relaxing. The General is my favorite song they have.

Jay-Z—“Young Forever (feat. Mr. Hudson)”

—This song combines a classic and one of the greatest rappers of all time. An unbeatable combination.
